DR. LESTER K. ADE

To Members of the Freshman Class:

We are happy to welcome you to Mansfield and to share with you all the activities and opportunities our College has to offer. During the years you spend here we hope you gain a variety of wholesome experiences that will contribute something to your physical vigor, emotional stability, social development, and, of course, to your professional preparation and skill.

In acquiring these indispensable qualties, you will be busy. You will find no dull or idle moment at Mansfield. You will also have ample enjoyment here. Happiness is a dominant note in our college life, and it is our sincere wish that you find an abundant share while you are in attendance. Naturally, you will likewise gain many profitable experiences which will fit you for the career you plan to follow after you leave.

I would add only one other thought, namely, that Mansfield is largely what you will make it. The whole environment here is the result of the cooperative efforts of all — students, faculty, alumni, and others who share it. My hope, then, for you is that you shall have four busy, happy, and profitable years at Mansfield.

I congratulate you on the splendid opportunities you have to enjoy four happy and profitable years while you are preparing yourself to undertake the responsibilities of your high calling.

LESTER K. ADE,
President.

COLLEGE BUILDINGS

SOUTH HALL, which stands on the site of the original Mansfield Classical Seminary, is the oldest and historically the most interesting building on the campus. It houses the men's dormitory, the office of the dean of men, the Y. M. C. A. room, and fraternity, recreation, and music-practice rooms for men, together with the College Library, which occupies the ground floor.

NORTH HALL, first built in 1874 and later enlarged and remodeled, is a combined women's dormitory and administrative building. It contains living accommodations for women students; the offices of the president, the deans, and the business staff; the College dining room; the kitchens and the bakery; reception and conference rooms; the campus book and supply store; the Y. W. C. A. rooms; and various assembly, recreation, and music-practice rooms for women.

THE INFIRMARY BUILDING, student health center conveniently set apart from the dormitories, contains the offices of the College physician and the College nurse and rooms or the treatment of injury and illness. In connection with the infirmary there are isolation quarters for the care of any contagious cases which cannot be safely removed to their homes. A State Hospital is located at Blossburg, ten miles from

Mansfield, where by special arrangement with the College serious medical or surgical cases receive immediate attention at low cost.

ALUMNI HALL, with its traditional Clock Tower, is an instruction and recitation building. One of the older structures on the campus, the building is distinguished not only for its academic usefulness, but also for its historical interest and significance.

THE ARTS BUILDING is a completely modern structure containing the latest equipment in the specialized fields of homemaking and music education. Included here are classrooms, laboratories, rehearsal rooms, conference rooms, administrative quarters, and various special facilities. Under the same roof, a living unit provides a model "home situation".

THE SCIENCE BUILDING affords space for chemical, physical, and biological laboratories; a commodious lecture room; a dark room; and stock and supply rooms. Several of the science instructors maintain offices in this structure.

THE EDUCATION CENTER houses the departments of Elementary Education, Psychology, Speech, Handwriting. and Mathematics; the Psycho-educational Center; and the Educational Museum. Facilities for Applied Music and for the College chorus also may be found in this structure.

THE COLLEGE LIBRARY consists of a large open-shelf circulation and reading room, a reference and reserve room, and adjoining storage and work rooms. The total number of volumes in the library is 25,000. There are also smaller libraries in the elementary school and junior high school buildings for the use of pupils and teachers in those schools.

THE ELEMENTARY SCHOOL BUILDING provides a laboratory situation for prospective teachers of rural and elementary schools, grades one to six inclusive. In this modern structure are to be found a full complement of well-equipped classrooms with observation booths; a beautiful library room; special music, cultural, and industrial arts quarters; a large gymnasium-auditorum; departmental offices; and clinical facilities.

THE JUNIOR HIGH SCHOOL BUILDING has a similar plant for prospective teachers of grades seven, eight, and nine. Here, too, are classrooms, laboratories, a library, a mechanical shop, a printing shop, a gymnasium, and departmental offices. The Mansfield Senior High School cooperates with the College in furnishing further opportunities for student observation and teaching.

STRAUGHN HALL, the College auditorium, is a fine, modern building with a seating capacity of 1250. A three-man-

ual Austin organ is installed in this building, which also is equipped with sound-motion picture apparatus and with stage and lighting facilities adequate for dramatic productions.

THE GYMNASIUM BUILDING furnishes excellent facilities in the field of physical education. Here provisions have been made for a large double playing floor, with ample room for men's and women's sports to be carried on simultaneously. Locker and shower rooms, offices for the directors of the department, and other facilities which contribute to a full physical education and athletic program also are provided.

THE SWIMMING POOL, occupying a building of its own, makes possible the enjoyment of one of the most popular and beneficial of all sports the year around.

THE STUDENT CENTER, formerly the old gymnasium building, is a newly created recreational and social center. Here may be found a large room suitable for informal dances, parties, and games. The offices of the Carontawan and of the Flashlight, student publications, also are in this building.

THE PRESIDENT'S HOME is an imposing residence which harmonizes admirably with the buildings of the College proper and contributes much to the beauty and dignity of the campus as a whole.

The constitutions of the Junior Class, the Sophomore Class, and the Freshman Class are identical with the constitution of the Senior Class, with the following exceptions:

A member of the Junior Class must have earned more than 58 semester hours of credit, but fewer than 90 semester hours.

A member of the Sophomore Class must have earned more than 26 semester hours of credit, but fewer than 58 semester hours.

A member of the Freshman Class must have earned fewer than 26 semester hours of credit.

REGULATIONS FOR ALL STUDENTS

Quality-Point System of Grades

Each semester hour of credit for work of A grade entitles a student to three quality-points; for work of B grade, two quality-points; for work of C grade, one quality-point; for work below C grade, no quality-points. This system is outlined in the following table:

Grade	Interpretation	Qual. Pts. per Hr.
A	Superior	3
B	Good	2
C	Average	1
D	Passing	0
E	Conditional Failure	-1
F	Complete Failure	-1

Courses marked I (incomplete) are not counted in figuring points.

In order to be given a student-teaching appointment, a student must have a total of quality-points which at least equals his total hours of credit; while to teach a subject in a given field, he must have a total of quality-points which at least equals his total hours of credit in that field. To be graduated, a student must have earned a total of 128 quality-points.

It should be noted that grades of D will give passing credit, but will lower the quality-point average, and may seriously affect chances of student-teaching and of graduation.

Absences from Classes

All absences from individual and group instruction, laboratory appointments, and rehearsals are reported to the Office of the Dean of Instruction.

To clear such absences, a student must present himself at the Office of the Dean and secure an official Return Permission. This form is granted on presentation of a note from the College physician or nurse, or of some other satisfactory explanation. If the activity from which the student has been absent is conducted more than once a week, the Return Permission should be presented at or before the second meeting following that absence. If the activity is conducted only once a week, the form must be presented at the first meeting.

There is no system of "cuts" at Mansfield. To receive credit for a course, a student must complete all academic requirements. If, in the judgement of the Dean of Instruction, absence is unjustified, the student may be denied the privilege of completing a course, or even may be asked to withdraw from College.

Where students are absent from more than one-ninth of the scheduled meetings in any course, the instructor shall consult the Dean of Instruction before assigning any grade other than I (incomplete). In general, such students rarely would be graded above a C.

Students absent from more than one-fifth of the scheduled meetings in any course, similarly, rarely would be graded above a D. Unexcused absences are regarded as evidence of neglect and indifference and so considered in estimating grades.

STUDENT LIFE

THE SOCIAL PROGRAM

One of the most decisive factors in the molding of character and an adjustment to cooperative living is the social program. Superficially, through this planning, the students are wholesomely entertained in the hours not occupied by college essentials. The teas, receptions, dances, exhibits, card and game parties balance the scholastic calendar. Beneath these activities, however, social poise and grace are gained by creative participation. Experience in all phases of formal and informal adult communal life helps to develop the confidence so necessary in a successful professional or social career.

EXTRA-CLASS ACTIVITIES

Pursuant to the best thinking in modern education, stress is placed at Mansfield on the value of extra-class activities. Academic programs are built around not only scholastic needs and abilities, but also around the recognized advantage of socially-constructive and intellectually-stimulating experiences. There is a rich reserve on which students are urged to draw for development and expression of the special interests so vital to a well-rounded college life.

STUDENT GOVERNMENT

Since student government is the basis of control at Mansfield, the Student Council, made up of students elected by their fellows, is a most important and vital element in college life. Through its constant alertness to the motivations, reactions, and opinions of those about it, the council is able to legislate for the present good and the future improvement of the entire College. It forms a strong link between faculty and students, which facilitates the solution of mutual problems.

Colleges. Included are football, basketball, baseball, and tennis. Every man is free to try out for a team and is entitled to receive instruction in the fundamentals of the game.

Intramural Athletics for both men and women afford every student the opportunity to engage in a selected sport. Among the most popular are basketball, baseball, swimming, bowling, tennis, badminton, and hockey.

ATHLETIC ORGANIZATIONS

The "M" Club is made up of men who have earned a varsity letter in one or more of the major sports. Its purposes are to encourage wholesome living and good sportsmanship and to stimulate interest in athletics.

The Women's Athletic Association seeks to promote good health, a greater interest in recreational activity, and an appreciation of the values which lie in games and sports.

MUSICAL ORGANIZATIONS

The Symphony Orchestra furnishes an opportunity for the student to enlarge his scope, appreciation, and understand-

of musical literature written for that medium. For the College community as a whole it offers a distinct cultural enrichment.

The Symphonic Band acquaints the student with band literature, practical experience in rehearsal procedure, and standards for attainment in the field of instrumental music. It familiarizes the student also with concert and broadcasting procedures and serves as a training laboratory for conducting out-of-town engagements and tours.

The Esquires, a skilled ten-piece dance band, play an important part in the social and theatrical activities on the campus.

RELIGIOUS ORGANIZATIONS

The YMCA, which all men are invited to join, seeks to develop the individual spiritually, morally, and socially. Inspiring programs of music and pertinent discussions are conducted weekly.

The YWCA, which welcomes all women students to membership, operates for their spiritual, moral, and social welfare. The weekly meetings are planned to encourage timely thinking.

The Gospel Team is a group of men who are raedy to aid in Christian work at all times. The organization is active not only on the campus, but also in the local churches and those of neighboring communities.

ASSEMBLY PROGRAMS

Assemblies for the entire student body, the faculty, and others are held regularly for the purposes of stimulation and relaxation. The programs are in charge of a student-faculty committee, and are inspired and developed by the students

themselves. These constitute demonstrations to prospective teachers of instructional and entertaining programs, including groups of different age-levels, of diverse interests, and of various abilities.

ARTISTS COURSES

Two excellent artists courses are conducted by the College—the Assembly course, designed to vary the student-participating activities of the assembly period, and the Auditorium course, intended to provide aesthetic and cultural experiences on a high level. At all times the College attempts to secure the finest lecturers, musicians, dancers, and actors obtainable. Admission to these programs is covered by the Student Activities Fee.

SOUND-MOTION PICTURES

Not only are the finest sound-motion pictures in the fields of entertainment and education presented on the College screen as part of the Auditorium program, but also newsreels and travelogues are scheduled regularly as an adjunct to the Assembly program. They are proving immensely valuable in enrichment of the social and academic life. Admission to these programs is covered by the Student Activities Fee.

THE COLLEGE COMMUNITY VESPER SERVICES

Vesper services arranged by the College in cooperation with the local churches are conducted on the second Sunday evening of every month. The programs are made up of addresses by well-known clergymen and laymen, representative of all faiths; non-sectarian devotional exercises; and special music.

POINT SYSTEM

The point system at Mansfield State Teachers College aims to distribute responsibilities and honors in extra-class activities among the maximum number of students, to assist students in balancing their curricular and extra-curricular activities, to develop competent leadership in the student body and to promote efficiency in each activity.

For the accomplishment of these purposes, each recognized extra-class activity office has been assigned a certain value in points, ranging from one to ten, the number being determined by the amount of work entailed by that activity.

No student may carry more than ten points, and no student may serve as president of more than one organization at a time.

The point system is in charge of a member of the Student Council. It shall be the duty of this member to enforce the point system and to record all activities of students in card catalogues containing a card for each student and kept in the office of the respective dean.

The secretaries of all student groups must submit lists of all members and all officers within one week after organization in the fall and within two days after admissions or elections whenever these occur during the year.

Mansfield, Hail!

Old Mansfield, high upon the eastern
hill, Dear Mansfield, hail to thee!
Thy loyal sons and daughters wtih a will
Salute in melody.
We bring a laurel wreath of praise,
And pledge our love thro' all the
days;
Our Alma Mater, dear, all hail to thee!
Old Mansfield, hail to thee!

The world is better for the beacon light
Which thou has shed abroad,
Strong hearts are stronger for the testing
fight That leads men up to God.
In all the varied walks of life, In peace-
ful paths and stress of strife,
We find thy sons and daughters true to
thee,
Old Mansfield, hail to thee!

We never can forget the days we've
spent Within thy hallowed walls.
We'll learn sometime what all your les-
sons meant When larger duty calls.
For ev'ry law and rule of thine, Is made
to fit our life's design.
We'll consecrate our lives to Truth and
thee, Old Mansfield, hail to thee!

The vision that we caught beneath thy spell Has opened up the way
To opportunity and serving well Upon the King's highway.
We love the mem'ry of thy ways, Strong lads and lassies fair as fays;
Our Alma Mater, dear, all hail to thee! Old Mansfield, hail to thee!

Red and Black Victorious

Red and Black victorious,
Push on to the goal;
Fight to gain a victory,
Mighty cheers will roll.
Fight! Fight! Fight!
Forward, never faltering,
Ours the goal to gain,
And as we march on to the victory,
Cheer for Mansfield's fame.
Rah! Rah! Rah!

Mansfield Victory

Mansfield, Mansfield, fight for her fame
Touchdown, Touchdown, make that your aim
Let us fight on to reach the goal,
Let us retain our fame of ole.
And ever forward, forward, we're backing you
M.S.T.C. loyal and true.
We'll spread your fame through all the world
And always fight on to victory.
